COMPANY OVERVIEW

MK Strategy Group, LLC is a Service-Disabled Veteran-Owned Small Business providing clinician-led federal healthcare staffing. We source, qualify, and mobilize credentialed clinical and allied-health professionals for federal healthcare programs — with clinical governance embedded in every placement, not bolted on. We stand behind the competency, compliance, and quality of every clinician we place. Texas-based, with national delivery capacity through vetted teaming relationships.

CORE COMPETENCIES

- Clinical & allied-health staffing
- Credentialing & licensure verification operations
- Competency validation & clinical examiner review
- Clinical quality assurance & compliance monitoring
- Workforce planning, surge & locum tenens management
- Recruitment, screening, onboarding & retention

DISCIPLINES WE STAFF

- Physicians across specialties
- Advanced practice providers (NP, PA, CRNA)
- Nurses (RN / LPN) & medical assistants
- Behavioral & mental health
- Audiology · Dentistry
- Optometry & ophthalmology
- Psychology · TBI & neurology
- Allied health (PT, OT, pharmacy)
- Administrative & clerical support

DIFFERENTIATORS

CLINICIAN-LED LEADERSHIP. RN, MPH, FACHE, CASC — clinical judgment governs delivery, not just logistics.

CREDENTIALING-FIRST DELIVERY. Aligned to DHA and VA standards: DBQ/C&P examination readiness; privileged and non-privileged credentialing.

CLINICAL-OPERATIONS BACKGROUND. Executive leadership experience across ambulatory surgical and acute-care settings informs how we staff and govern clinical work.

VETERAN-OWNED & CERTIFIED. SBA VetCert SDVOSB and Texas VetHUB — mission discipline brought to federal healthcare.

PROGRAM & MISSION FOCUS

PROGRAM FOCUS

Built to support VBA Medical Disability Examinations (MDE), DHA Medical Q-Coded staffing (MQS2-NG), and comparable federal healthcare requirements.

MISSION FOCUS

A credentialed SDVOSB staffing partner to the VA (VBA & VHA), the Defense Health Agency (DHA), the Department of Defense, and the primes who support them.

VetHUB — Veteran Heroes United in Business
